"MINUTE FOR MISSIONS"

**A Place of Wellness
for Mother and Child**

Our gifts for Mission & Service enable community ministries like Massey Centre to create new programs that meet the needs of young, single mothers.

Massey Centre in Toronto, Ontario, has been a place of refuge and encouragement for almost 120 years. The centre has grown over that time. It was originally housed in the Methodist parsonage and known as The Victor Home for Women. In 1947, the Massey family gave the centre their summer home; the centre was renamed the Massey Centre Home for Unwed Mothers, and it is now known as Massey Centre for Women. While the original home is still part of the footprint, the centre has expanded to include pre-and post-natal housing, education programs, a daycare, and infant mental health programs.

"Everyone has a connection to Massey Centre!" exclaims Chief Executive Officer Ekua Asabea Blair. Massey Centre is a place that people speak fondly of, and many choose to stay connected to. Lisa, who works as the centre's receptionist, is a welcoming face and voice for first encounters at the centre. When Lisa was 18, she found out she was pregnant. She had no family support when she

came to Massey Centre. "If I hadn't been here, my child would have been taken away from me by Children's Aid," Lisa says. "Because of Massey Centre, I have been able to watch my daughter grow up into the beautiful young woman she is today. Without Massey Centre, I would be lost."

Massey Centre is very thankful for United Church support, whether in the form of Mission & Service giving, local United Churches' gifts of diapers, or United Church Women who knit beautiful blankets. All these gifts are changing lives each and every way.

If Mission & Service giving is already a regular part of your life, thank you so much! If you have not given, please join me in making Mission & Service giving a regular part of your life of faith. Loving our neighbour is at the heart of our Mission & Service.

"SUNDAY SMILE"

A priest, a Rabbi, and a gorilla walk into a bar.

The bartender looks over and says, "Is this some kind of a joke?"

A Wife asks her husband, "Could you please go shopping for me and buy a carton of milk and if they have avocados, get 6.

A short time later the husband comes back with 6 cartons of milk.

The wife asks him, "Why did you buy 6 cartons of milk?"

He replied, "They had avocados"

If you're a woman, I'm sure you're going back to read it again.

Men will get it the first time.
