**"MINUTE FOR MISSIONS"**

**Fighting Human**  
**Trafficking**

Globally, human trafficking is the third largest organized crime after drugs and the arms trade. Close to 80 percent of human trafficking across the world is related to sexual exploitation, but exploited labour, sale of human organs, and forced marriages are also linked to trafficking. In Asia, India is considered the hub of this crime. In India, the national government reports that a child goes missing every eight minutes.

West Bengal, close to the Bangladesh border, is a hotbed of trafficking. Mission & Service partner Church of North India, Durgapur Diocese, is tackling the issue with an anti-human-trafficking program. The program educates communities and community leaders

about trafficking, rescues those who have been trafficked, and provides safe haven and support for those rescued.

Japhet Ndhlovu, staff with The United Church of Canada, recently visited the project:

“Children, especially girls and young women I met, told me they were taken from their homes and sold in faraway places for sexual exploitation and to work as bonded labour by agents who lured their parents with promises of education, a better life, and money. Instead, traffickers put children to work in brick kilns, carpentry units, as domestic servants, or beggars. Some are the victims of organ harvesting.”

Community volunteers are collaborating to fight this evil and to care for those rescued from trafficking. Children and adults are provided with shelter, food, and education.

Mission & Service partner Church of North India is working to defend and protect the safety and dignity of all. No one should be trafficked.

If Mission & Service giving is already a regular part of your life, thank you so much! If you have not given, please join me in making Mission & Service giving a regular part of your life of faith. Loving our neighbour is at the heart of our Mission & Service.
