DONATIONS – UNITED CHURCH OF CANADA MISSION AND SERVICE FUND

Since its inception, the church has always relied upon the generous support of the local community, and that continues to this day. Donations, fundraising events, and bequests throughout the years, have allowed the church to continue its important work in the local community. Without this support, the church would not exist.

During this critical time, we particularly rely on the donations of friends and supporters of our church to ensure we are able to maintain our day to day operations.

Donations can be made securely online through an [Interac E-Transfer](#) , [automatic deductions](#) (PAR), or by mailing a [cheque](#) to HastingsTrinity United Church.

E-TRANSFER DONATION OPTION

If you bank online, e-transfer is an easy way to make your donation(s) and to provide continuing support. An E-Transfer may be sent to 'HastingsTrinityUnited@hotmail.com'. Auto-deposit is in effect, so no security question is required.

In the area for comments, please specify how much is for the church and how much is for the Mission and Service Fund.

AUTO-DEDUCTION OPTION

The United Church of Canada offers the option of having monthly deductions from your account -- Pre-Authorized Remittances (PAR). **The funds are transferred to Trinity United Church and their Mission and Service Fund**, once a month.

To partake of this option, contact the Treasurer or complete the form at: [form_par-authorization.pdf \(united-church.ca\)](#).
