### "CARING AND SHARING"

*Our prayers are with those who are shut-in and sick, unable to join us in worship this morning.*

*Love and prayers to Audrey McMillan as she recuperates after her surgery this week.*

### "COMING EVENTS"

Today, Sunday February 23, 2020

Hastings' Annual Congregational Meeting after worship and coffee time.

Sunday March 1, 2020 Lent 1. Bill Rowe will be leading in worship. Rev. Jamie will be on study leave for the week further preparing for Lent and Easter.

Friday March 6, 2020 World Day of Prayer service at Trinity Hastings. Service at 1:30 pm. Refreshments following the service.

Sunday March 8, 2020 Roseneath's Annual Congregational Meeting after worship. Please bring your own lunch.

### "PLEASE NOTE"

**Roseneath Church address change:**

As of Feb. 17, 2020, the church address will be:

11943 County Road 24

Roseneath ON K0K 2X0"

### "SPECIAL REPAIR PROJECT"

*Trinity Hastings has some extensive repairs needed to the back of the church in the eaves. As much as we love pigeons, they can't keep sneaking in the eaves where the wood has rotted away.*

*The work will be done in the spring. It will cost approximately \$2,000 for a man-lift and material to repair.*

*The church council are launching a special appeal to help cover the cost.*

*You can bring some coins and add to our special cans, or make a donation marked as "Special" Repair Project in your offering envelope. With many thanks!*

### "MINUTE FOR MISSIONS"

#### **A Chicken Farm in Kenya**

Farmers learn best from one another. The Organization of African Instituted Churches (OAIC) supports farmer-to-farmer knowledge exchange through interactive model farms. OAIC is one of our long-standing Mission & Service-funded global partners. The farmer-to-farmer

project would not exist without your gifts to Mission & Service.

The model farms in West Pokot, Kenya, give rural farmers opportunities to physically demonstrate and teach each other appropriate technologies and new methods. Depending on what's being tested or showcased,

the demonstration farm could have different types of crops and crop varieties, livestock or poultry breeds, fertilizer treatments, or technology such as drip irrigation.

The practical learning sites have proven popular with the younger generation, who want hands-on involvement in the changes. More primary schools are actively engaged with 4K clubs—clubs that teach children how to grow crops—in Vihiga County, Kenya.

One of OAIC's initiatives is to promote chicken farming to farms that are subject to extreme weather or aren't large enough to raise cattle. Women in particular have taken to raising chickens to boost their household income and also for the eggs, a good source of protein for their families.

Well-presented demonstrations enable farmers to see for themselves how the new technology works; small-scale farmers adopting new methods are taught how to cope with and manage ongoing agricultural challenges, climate change, and food insecurity.

If Mission & Service giving is already a regular part of your life, thank you so much! If you have not given, please join me in making Mission & Service giving a regular part of your life of faith. Loving our neighbour is at the heart of our Mission & Service.
