"MINUTE FOR MISSIONS"

Embracing the Spirit

Rob Dalglish, Executive Director of EDGE, says the growth of Embracing the Spirit, a Mission & Service program, demonstrates that there is an appetite across the church to experiment with new forms of worship and ministry. Embracing the Spirit is a Mission & Service program, learning network, and innovation fund.

As Dalglish notes: "People sometimes ask me, 'What do art shows or cooking classes have to do with church?' I tell them it's about loving your

neighbour and the neighbourhood. Changing lives for the better, whether economically, socially, environmentally, or through more traditional spiritual practices, is an act of love. It's an expression of the abundant life that was Jesus' purpose. Through our own deepening discipleship, it becomes an opportunity to introduce people to who Jesus is and the way he invites us to walk."

The Embracing the Spirit learning network consists of more than 300 people receiving guidance from more than 80 mentors. These mentors include retired professionals who are willing to lend their skills and expertise to help others. Another part of the program is the Social Innovation Challenge, where participants can develop a concept, discover new partners, and compete for start-up funding. There have been 11 Social Innovation Challenges so far, which bring a spiritual bottom line to entrepreneurship.

If Mission & Service giving is already a regular part of your life, thank you so much! If you have not given, please join me in making Mission & Service giving a regular part of your life of faith. Loving our neighbour is at the heart of our Mission & Service.
