"MINUTE FOR MISSIONS"

Thank You from Green Bay

Our gifts for Mission & Service support congregations in transition or in remote locations.

Green Bay South Pastoral Charge is a grateful pastoral charge. In the midst of beautiful Notre Dame Bay in Newfoundland and Labrador, this scenic three-point pastoral charge has been receiving financial support from Mission & Service for a number of years. The small charge is spread over 40 kilometres, with one church accessible only by water.

Over the years, a Mission & Service-funded mission support grant has enabled the pastoral charge to adjust to declining numbers and build up its ministry. It anticipates being self-supporting in the near future. The generosity of the United Church has sparked the members' own compassion

and kindness. They are generous givers and support Mission & Service. They see first-hand the benefit of being a recipient and feel compelled to grow the wonderful ministries that we support together as a denomination.

During each Sunday service, a Blessing Can is distributed among attenders. People can express their gratitude, name a blessing, and offer a donation. These dollars are set aside as additional donations to specific Mission & Service partners through the Gifts with Vision program. Board chair Lloyd Colbourne says that members enjoy this time of thanksgiving and appreciate being able to grow their ministry and mission. He adds, "We want to thank all the congregations of the

United Church for supporting us when we have needed it. We appreciate the opportunity we have to share our gifts, in gratitude." Our gifts for Mission & Service accompany churches such as Green Bay.

If Mission & Service giving is already a regular part of your life, thank you so much! If you have not given, please join me in making Mission & Service giving a regular part of your life of faith. Loving our neighbour is at the heart of our Mission & Service.
