Chairperson:

"Here is your Mission & Service giving in action!"

A Bedford, Nova Scotia, native, Catherine recently returned to Canada after many years in Korea serving with the Presbyterian Church in the Republic of Korea (PROK) and the National Council of Churches in Korea (NCKK). Among other tasks, she assisted with English-language communication work to facilitate relationships between the PROK and its partner churches around the world.

The PROK has a central focus on working for justice for all, particularly for those most vulnerable and those who are marginalized; gender justice; justice for the earth; reconciliation and reunification of the divided Korean people; and peace for the Korean peninsula, the Northeast Asia region, and the wider world. Deeply committed to the international ecumenical movement, Catherine worked within the PROK in active solidarity with some 30 partner churches and organizations.

Catherine has a deep passion for the reunification of Korea. She has also been a strong voice for female empowerment in Korea. These two passions led her to participate in a walk in the demilitarized zone between the North and South of Korea with other women activists to illustrate the need for connection between the two
