Grow your 20

"Life is not always about making money. In fact we could put that low on the pole of priorities.

"The Grow your 20 project is more about serving 3 purposes:

Loving God... Loving the world... Loving one another"

Grow your Twenty project is coming to completion.

We invite you to submit your story about what you did with your "talent".

You can jot it down on a piece of paper or send an email to Rev. Jamie.

We will publish the stories, so all can see what was done with the talents.

Your name will be withheld from publication unless you want it to appear.

We can carry this on through to Advent 1, December 2 after which we can summarize for you how the talents grew.

## **“MINUTE FOR MISSIONS”**

### **Rebuilding Schools in the Philippines**

Our gifts for Mission & Service support Indigenous peoples in the Philippines.

The Lumad are Indigenous peoples of Mindanao in the southern Philippines. Many Lumad communities have established their own schools, looking for help from government, non-governmental organizations, and church groups. Mission & Service partner the United Church of Christ in the Philippines (UCCP) is collaborating with the Lumad peoples in this work.

These people have faced a high level of persecution from the Philippine military, including forced displacement and extrajudicial killings. Lumad schools have been used as temporary military camps, shelters and, in some cases, for weapon storage. Traditional Lumad territory is rich in natural resources, and encroachment on their land has contributed to these people being displaced.

In the midst of these challenges, the Lumad peoples continue to support schools through the Save Our Schools Network or SOS. The SOS network works with others, including the UCCP, to support a non-discriminatory, culturally sensitive approach to education. The schools provide free, high-quality education to Indigenous children. Currently there are 205 Lumad community schools serving almost 6,000 children. More schools are needed! Other communities need new classrooms and support for operating costs, including teachers.

Mission & Service supports schools that help lift people and communities out of poverty and build leadership for the future of the Lumad peoples of the Philippines.

If Mission & Service giving is already a regular part of your life, thank you so much! If you have not given, please join me in making Mission & Service giving a regular part of your life of faith. Loving our neighbour is at the heart of our Mission & Service.
