### Grow your 20

"Life is not always about making money. In fact we could put that low on the pole of priorities. "The Grow your 20 project is more about serving 3 purposes: Loving God... Loving the world... Loving one another"

Grow your Twenty project is coming to completion.

We invite you to submit your story about what you did with your "talent".

You can jot it down on a piece of paper or send an email to Rev. Jamie.

We will publish the stories, so all can see what was done with the talents.

Your name will be withheld from publication unless you want it to appear.

We can carry this on through to Advent 1, December 2 after which we can summarize for you how the talents grew.

### "MINUTE FOR MISSIONS"

### From Hopeless to Hopeful

Our gifts for Mission & Service support counselling programs like The Counselling Centre in Brandon, Manitoba.

The Mission & Service support provided by The United Church of Canada helps to fund Project Hope, a program that provides professional counselling free of charge to those who are economically impoverished, such as non-status Indigenous clients, children, and seniors, who make up roughly 40 percent of the city's population.

"These are people who would otherwise fall through the cracks," explains Executive Director Heather Karrouze. She tells the story of a mom and three kids who recently fled an abusive relationship and are living in a hotel. "If it weren't for Project Hope, they wouldn't be getting counselling," she says. "Project Hope provides counselling support to the mom and her boys; to the pensioner who has lost his wife; to the non-status Aboriginal whose family is far away, up north.

"A number of years ago, the Brandon Counselling Centre began to explore ways to shift the disturbing trend of domestic violence it was hearing about in its counselling sessions. The centre created Building Bridges, a 12-week program for men to explore what makes for healthy relationships. Since starting the program, the counsellors have seen a small shift in their counselling sessions toward decreased domestic violence. The shift is slow, but there is progress.

"It is our vision to help people go from feeling hopeless to being hopeful, from feeling diminished to being empowered," says Heather. "Those [Mission & Service] dollars translate into lives being changed and, in some cases, being saved."
