"MINUTE FOR MISSIONS"

Singing for Inclusion

Our gifts for Mission & Service support programs at places like Naomi

Centre and Emmanuel House, both part of Stella's Circle in St. John's, Newfoundland. For Canada's 150th celebration in 2017, Stella's Circle organized a concert. Stella's Circle Sings

for Canada featured the premiere of a song written by the Inclusion Choir with Amelia Curran, and a screening of a film by Roger Maunder about the process. The Inclusion Choir includes many living on the edges of Newfoundland society, blended with staff from Stella's Circle.

The concert was due in large part to three student placements. Reflecting on their learnings, the students spoke about the power of the song writing process and how participants saw the song as "our song." Music student Kristian said it allowed her to focus on how music can have an impact on social situations and lives. For Kristian, the focus was not on getting the job done, but the enjoyment. Justin, a student in social work, commented on the fact that as soon as choir members walked out on stage, they stood taller. He saw singing as a mindfulness act; it focused the mind on the act of singing. Sarah, a student in business management, saw how the work she learned, in human resources could be put into action in terms of diversity, and she enjoyed how everyone collaborated.

From the perspective of Stella's Circle, they saw three students embrace something new, fit right in, and add value to what was happening at Stella's Circle. What a great experience for all!
